It's your network

Help shape change

North Yorkshire's Age Friendly Network offers an opportunity for older people in our communities - their families and the organisations that support them - to share information and individual views on the topics that really matter.

With the Network regularly consulted by key decision-makers, members' suggestions can actively help to shape change and encourage an age-friendly community where older residents can lead healthy, active lives.

As well as helping to influence service provision, members also receive six network newsletters a year - designed to keep them up-to-date and informed on important issues and policies.

The network is free to join and works to ensure our members are empowered, included and connected with the opportunities, choices and support they need to live the life they want.

OUR GOALS

- Promote active, healthy ageing
- Tackle loneliness & ageism
- Support social inclusion
- Provide infrastructure and services that are accessible, practical and suited to an ageing population.

Why not join us?

Let's start talking

Let's get the conversation started to help build momentum as we work to achieve more active, engaged and thriving communities.

If you'd like to get involved, it's free and easy to join the Network as an individual or an organisation working with older residents in the community. Go online, find us on Facebook, send us an email or give us a call - please see contact details on the back cover.

Join us today and make the most of the opportunity to feed in your questions and points of view to an increasingly influential group, representing real people across North Yorkshire.

Visit our website for more information and to become a member.

Simply scan the QR code below using your phone or tablet camera to get started.

Find us on Facebook too - search for 'Age Friendly Network North Yorkshire'.
